

Brooklands Primary School Pupil Parliament

Expectations

In Pupil Parliament we like to make sure that everyone is listened to, their voices and opinions are heard and that we respect the things that they are saying.

Our Pupil Parliament Expectations are:

- We will all listen to each other's ideas
- We will all participate
- We will not talk over each other
- We will not act silly or inappropriately
- We will try to make school the best place it can be for all that are there
